Godalming Youth Orchestra

Conductor: David Wright

Founded in 1979, the Godalming Youth Orchestra offers young people the experience of performing with others in a good orchestra – a welcome diversion from solitary practice. The rehearsals are great fun and help to develop musicality and ensemble skills as we play a variety of original scores and arrangements. **David Wright** has been our conductor since 1996, and brings great experience and wit to the proceedings.

Visit our web site for more information:
